

Dear Fortville Neighbors,

WE NEED YOUR INPUT!

My name is Heath Luther. I am the new Parks and Recreation Manager for the Town of Fortville. As we continue to see growth in and around the Fortville area, it is my goal and the goal of the Parks Department to continue to provide the best spaces for individuals, families, and friends to gather for wellness, sports, love of nature, and overall relaxation. We are in the process of gathering information for a comprehensive plan that will allow us to continue on the path of being a leader in Hancock County and Central Indiana in regards to wellness and open spaces. We value the input of the Fortville Community in this matter. We are asking you to fill out this short survey regarding our current Parks and their assets, and what you would like to see in the future regarding the Town of Fortville Parks. This is a critical step in helping the Parks Department and the Town of Fortville make future decisions regarding the direction of our beautiful parks.

Thank you for your time in this matter,

Heath Luther
